

THE COLUMBUS RIFLE CLUB SUMMER SHOOTOUT COWBOY ACTION MATCHES, AUGUST 29TH AUGUST 30TH

On August 29th, several pards gathered to defend the range. 5 shooters, a couple helpers and a few spectators came out for a great day of cowboy action shooting fun. We had 6 stages and a hearty meal. A few of us gathered Saturday night at the east side café in Monroe for some more good eats. On August 30th, we had to defend the range again with 6 shooters, a couple helpers and more spectators. We had 4 stages and another good meal. I want to thank the 3 CRC members who helped me set up, run and tear down the match. Sorry the rest of you couldn't join us for the fun and friendly game of Cowboy Action Shooting.

We hope to have one more match this year at the end of November. If the Weather and the CRC allow it, we will shoot again on the 5th Sunday of November.
