

AUGUST 2ND & 3RD, 2008

DEFEND DEVIL'S DROP

A Cowboy Action Shooting event in a remote scenic prairie setting. Home cooked meals, friendly folks, and local history. Come and shoot just Saturday, just Sunday or both days.

Located on Bow View Farm along the banks of the West Bow Creek
in eastern Knox County near Crofton Nebraska.

Take Hwy. 12 west from Crofton 1 mile to county blacktop, 550th Ave. (old Hwy. 121) and go south on 550th Ave. 3 3/4 miles across the Bow Creek bridge. Turn west and follow the drive.

Saturday, August 2nd SASS day = 9:00AM to sign up with a safety meeting at 9:30. We will have 6 Main Match SASS type stages, a hearty meal, and some side matches as well. All standard SASS categories are honored as well as some NCOWS and others.

Sunday, August 3rd G A F day = 9:00AM to sign up with a safety meeting at 9:30. We will have 4 Main Match GAF type stages, a hearty meal, and several side matches. We will follow the G A F "Battle Rifle" class Structure using 1 handgun and 1 long gun.

Awards will be given for each day in each class with participants pre-registered by July 4th.

The cost of a cowboy match is \$15 per shooter per day + \$5 for an extra meal.

Guns of the Old West: single action revolvers, pistol caliber lever action rifles, and old time shotguns. Your score is your time plus penalties for misses and such. Low score wins. An honest effort to dress in appropriate "old west" style clothing is appreciated. We will be following SASS safety and scoring rules as best we can for the Cowboy Action main match and side matches. With everyone pitching in everything should run smoothly.

For more info on SASS (Single Action Shooting, Society), NCOWS (National Congress of Old West Shooters), or GAF (Grand Army of the Frontier), go to their websites:
